Instructions for students -

- ★ Be ready with all required things by 10:00 a.m. on every exam day.
- ★ Write your name, board roll number, class, section and class roll number neatly and cleanly at the first page.
- ★ Website will open at 10:00 a.m.
- ★ Go through the question paper attentively.
- ★ Write your board roll number as well as page number at every page.
- ★ Arrange your own answer sheet to write answers. Take big sheet of A4 size, so that you have to take less photographs.
- ★ Write all the answers very neatly.
- ★ Start writing your answers at 10:30 a.m. and stop at 1:30 p.m. Immediately after that take photographs of your answers and send to your respective subject teacher on their WhatsApp or send by email at the given school email id within 15 minutes. Otherwise your answer will not be accepted.
- ★ During Mathematics exam, keep geometry box and two graph papers with you (if graph is not available, draw graph on your answer sheet neatly.)

Good Luck!
